DIFFERENTIATORS

Siler Excavating is capable of large scale self-performance through our internal equipment, machinery, and personnel resources. Siler Excavating can also leverage existing prime-sub relationships with other outstanding contractors to bring additional capacity, experience, knowledge to the SILER Team.

The SILER Team can effectively support and execute individual projects of all sizes while maintain the critical levels of control over quality, safety, schedule, and client relations necessary to deliver a successful project on-time, and in-budget.

ABOUT SILER

As a small disadvantaged business, SILER is able to offer more than high quality project management and execution. The company also provides the reliability, honesty and personal interaction that ensure satisfaction at all stages.

Our reliability is demonstrated though competitive pricing, high quality service and solid experience. This approach and a firm commitment to each project's success as well as the long-term growth of the business have created positive relationships with all of our previous, return, and current clients.
